Location and Housing

Courtesy of the ashram & the construction site of the spiritual complex & township development at Shrimad Rajchandra Mission, Dharampur, India, from May 29 to June 1, 2017.

Special Thanks

Deep gratitude to Pujya Gurudevshri Rakeshbhai, the spiritual head of Shrimad Rajchandra Mission, Dharampur, India, for trusting in the value of art.

The sevaks at SRA, Dharampur, for their unstinting generosity.

My mother, Dipika Ashvin Choksi, for ensuring a personal introduction to the guru.

Prasann Jain and Karan Makhija, for their faith in my work.

Kapil Gupta, of Serie Architects, for introducing me to the site.

Santosh Thorat, of Serie Architects, for design assistance & on-site coordination with contractors.

Rachelle Rojany, for collaborating with me generously on the swing prop.

Thank you to the many friends who replied with inspiring suggestions to my request for participation from afar, some of which made it in some altered fashion into these seven films, and some of which will be incorporated in an accompanying animation planned to be completed later: Aleksandra Cybulska, Alice Cummins, Arindam Ghatak, Avantika Sujan, Beatrice Gibson, Dan Bustillo, Dewey Ambrosino, Diana Campbell, Diane and George Wolfberg, Francisco Barrenechea, Iris and Amal Ghosh, Kathryn Chew, Lynne Chan, Meg Cranston, Mrat Lunn Htwann, Nell, Rachelle Rojany, Tuan Mami, Wendy Shaw, Yvette Choy, Zia Bhaisa, et al.

Dedicated to all of us who have faith in friction, in engagement, in friendship.
